In September 2021, Yadira Caraveo Signed A Letter That Encouraged The Biden Administration And Congress To Loosen Immigration Rules Through Reforms Such As “Divest[Ing] From Immigration Reform Agencies Like ICE And CBP”

In September 2021, Yadira Caraveo Signed A Letter That Encouraged The Biden Administration To Loosen Immigration Rules. “Three dozen Colorado elected officials are joining with more than 700 other Democratic policymakers across the country to encourage the Biden administration to loosen immigration rules... The Coloradans signing the letter are... Rep. Yadira Caraveo of Thornton.” (Joey Bunch, “Colorado Policymakers Join Other Democrats Calling For Looser Immigration Policy,” [Colorado Politics](#), 9/9/21)

The Letter Called For Congress To “Divest From Immigration Enforcement Agencies Like ICE And CBP.” “It’s time for Congress to act. The ways to truly Build Back Better is to ensure that Dreamers, TPS holders, and essential workers are included in all economic recovery legislation including through budget reconciliation and to divest from immigration enforcement agencies like ICE and CBP.” (Letter to President Biden, Vice President Harris, Majority Leader Schumer, and Speaker Pelosi, “State & Local Elected Letter for Immigrant Inclusion - September 2021_FINAL,” [Letter](#), 9/8/21)
