Enlisted Psychologists To Challenge The Accusations Of Rape Victims

<u>Marlinga's Law Firm Challenged Rape And Internet Sex Crime Charges Filed Against</u> Clients

Marlinga's Law Firm Enlisted Psychologists To Challenge The Accusations Of Rape Victims. "For example, in the development of a consent defense in a date rape or acquaintance rape

situation, we'll use a preeminent psychologist to examine the complaining witness prior to trial. Our expert's findings might very well indicate features of the alleged victim's personality that resulted in the accusation of rape, or a denial of consent, under circumstances that the defendant cannot be held responsible for." Marlinga's Law Firm Defended Clients Accused Of Internet Sex Crimes By Portraying Them As Victims Of Porn Website Scams. "In many cases, people in legal adult websites may follow links or receive pop-ups with illegal content on the other end. In other cases, file sharing results in the downloading of illegal material that is deceptively titled to encourage computer users to purchase the material. In cases involving online solicitation, what is said and the manner in which it is intended will impact the case against you. In each instance, we carefully consider the facts involved in order to craft a defense intended to either reduce or dismiss the charges and sentence against you." <u>Marlinga's Law Firm Stated On Its "Internet Sex Crimes" Page, "In Many Cases, The Authorities Lead And Manipulate The Children To Make Incriminating Statements That Might Reflect Little Other Than The Child's Willingness To Please An Important Adult"</u>

An Excerpt From The Firm's Website: "In Cases Involving Accusations Of Child Sexual Abuse Or Criminal Sexual Conduct With A Minor, Our Expert Investigation Might Focus Upon The Interview Between The Alleged Victim And A Social Worker Or Other Investigator. In Many Cases, The Authorities Lead And Manipulate The Children To Make Incriminating Statements That Might Reflect Little Other Than The Child's Willingness To Please An Important Adult." "In cases involving accusations of child sexual abuse or criminal sexual conduct with a minor, our expert investigation might focus upon the interview between the alleged victim and a social worker or other investigator. In many cases, the authorities lead and manipulate the children to make incriminating statements that might reflect little other than the child's willingness to please an important adult. With the assistance of child psychologists and behavioral experts, we show how this process can distort the entire investigation." <u>Marlinga's Law Firm Touted Its "Hard Work" To Get A Reduced Sentence For A Sex</u> Crime Client

On The "Sex Crimes" Page Of Its Website, Marlinga's Law Firm Stated, "In One Recent Case, Our Hard Work In The Sentencing Phase Resulted In A Sharp Downward Departure From The Guidelines Minimum Of Seven Years To A Sentence Of Only One Year, To Run Concurrently With A Sentence Our Client Was Already Serving On A Previous Offense." "In the event of an adverse ruling at trial, we intervene actively with the presentence investigation to make sure that all mitigating circumstances in your favor are presented and considered before the sentence is handed down. In one recent case, our hard work in the sentencing phase resulted in a sharp downward departure from the guidelines minimum of seven years to a sentence of only one year, to run concurrently with a sentence our client was already serving on a previous offense:" ("Practice Areas," Marlinga Law Group, As Accessed Through Archive.Org On 5/26/09)
